Photography Course Under Consideration

Because of the tremendous interest shown by people in photography today, the Drayton Valley & District Chamber of Commerce is considering conducting a course in elementary photography. This course will be started at the beginning of February if sufficient persons are interested in taking it.

The purpose of the course will be to help people have a better basic understanding of their camera and how to improve their picture taking ability. The course outline will cover the camera and how it works, film and how it works, exposure, composition, pictures at night outdoors, flash and other assorted problems arising from still and movie cameras.

Color slides and sound movies may be used as part of the course format.

It is expected to be given at the elementary school and will consist of two hour sessions, one evening per week for 2 - 4 weeks. All persons interested are requested to phone Bob Cowan at 542-3990 during the day or 542-3265 evenings.

CHRISTMAS PROGRAM

A sacred Christmas program will be presented by the Sunday School pupils of the Pentecostal Tabernacle Church on Friday, December 17th. The program will be held in the Church at 7:30 p.m. An invitation is extended to all who wish to attend.

THE TOWN OF DRAYTON VALLEY

NOTICE

Every year at this time the same old slogans and cliche's are being echoed: "If You Drink Don't Drive" and vice versa and "The Life You Take May Be Your Own," and so on. These well-worn phrases do become monotonous and meaningless through their repitition, but on the other side of the ledger we have to realize that the crime of mixing driving and drinking presents a repetitious item. Property damage and injury in the less violent occurrence--death and its despair in the more violent happening.

And what is even more tragic, generally, there is some innocent party who reaps a part in this senseless disregard of advice.

Your Council, your Police Commission, and your Police Department wish you a very Merry Festive Season but in doing so ask that each of you think about your responsibility to your fellow-man and resolve to follow the direction of these words - "If you drink, don't drive - if you drive don't drink." Your thoughtfulness can mean the insurance of a truly Merry Christmas and a hopeful Happy New Year for everyone.

If anyone finds himself in the position where he should not drive for goodness sake don't hesitate to call on the aid of a friend, fellow workman or if you're unable to roust out one of these, a call to our Police will not go awry. We do ask that you only call our police in extreme emergency as they no doubt will be required in many spheres.

Remember -- "You are your brother's keeper."

Tomahawk Residents Join Centennial Project Plan

The Tomahawk and District club recently advised the Drayton Valley Centennial Committee of their wish to participate in our Centennial project. A minimum of 700 to 800 people in and about the community of Tomahawk are waiving their Centennial grants of $3.00 per head for our Civic Centre and Arena project. This gesture shows that our Centennial project is truly a district project and the new participation by Tomahawk is welcomed by the Drayton Valley Centennial Committee.

The Centennial Committee reports that applications have been forwarded to the Centennial Commission for project approval and for Centennial grants on behalf of the Town of Drayton Valley and Improvement District 77. A further application is now required for grants on behalf of the new participants of Tomahawk.

A large size colored portrait of the proposed project is being displayed in the window of the corner drugstore for public viewing.

The Drayton Valley town by-law enabling the expenditure of up to $100,000 for the project has been sent to the local authorities board for their final approval which should be given before year end.

D.V. HIGHLIGHTS

By Edith Deby

Our deepest sympathy is extended to Mr. and Mrs. Dan Bills, Peggy, Kenneth and Jerry in their sorrow.

We hear that the Charles Twissells like Hay Lakes quite well. The new C.W.L. cook book, just off the press, has a special section giving recipes for diabetics and those on reducing diets. The rest of the book deals with such mouth mouth watering goodies that it is felt you will want to contact a C.W.L. member without delay to get your copy.

Newcomers to Drayton Valley are Calgary Power personnel, James Innes and Howard Thompson and their families. Welcome to town folks.

Keith Perry of Mobil Oil has been working in the north for the past several weeks.

Correction: Mrs. Leslie Oscar is Welfare Director for Civil Defence not Mrs. Vaughn Thompson, as reported in this column last week.

Met Mr. and Mrs. Ozzie Williamson, formerly of Drayton Valley, last weekend. They are looking well and rested, and are planning to go to the coast for the winter months. The Williamson children are living in widely separated points. Kent, now a chartered accountant, has accepted a position in England and will leave early in the new year. Jan is teaching dancing in Vancouver. Wesley, now married, is in Edmonton.

The Community Choir will present the cantata "Love Transcending" at the following times and places. December 19th at 11:00 a.m. in the United Church; December 19th at 7:30 p.m. in All Saints Anglican; December 20th at 8:00 p.m. in Evansburg; and December 29th at 8:00 p.m. in Warburg. In addition the choir will entertain hospital patients with the cantata sometime during the holiday.

FUNERAL SERVICE FOR BILLY BILLS

Funeral Services were held Tuesday, December 14th in the Elk's Hall for Billy Bills whose death Saturday saddened the community. He was widely known and liked in the Drayton Valley area where he grew up.

Rev. G. Ingram officiated and interment was made in the new Drayton Valley cemetary East of town.

He is survived by his father and mother, Mr. and Mrs. Dan Bills, two brothers, Kenneth and Jerry and one sister, Peggy and many close relatives.

When visiting a patient make sure that the fruit, candy or other food taken to him has the approval of the doctor or nurse.

We all enjoyed Joe Burki's Swiss records after our F.U.A. meeting on Saturday, December 4th at Millbank. Only 11 members showed up, 4 others came in at the end. The Christmas party was set for December 18th.

There was a better turn out at our Community Meeting on Monday, December 6th. There was a lot of business to decide on. The Christmas party date was set for the 17th of December.

A farewell party for Mr. C. Wall was held at Mrs. Burki's on Tuesday night, December 7th. It was a complete surprise as that happened to be Mr. and Mrs. A. Schenk's 28th Anniversary. We played whist and Mr. Wall, playing as a lady, won the first prize. Barbara Schenk won the ladies "Boobie". Mr. Burki won the men's first prize and Sigrid Runzer won the "Boobie". We wish Mr. Wall all the best and hope he will come back and see us all again.

On Saturday, December 11th a house warming was held for Mr. and Mrs. Town Sr.

Miss Bertha Ryckis and Mr. Harry Wall were married in Edmonton on Thursday, December 9th at 3:30 p.m. A reception for friends and relatives followed. We wish them all the best for the future.

A Centennial Meeting was held at Moon Lake Hall on Wednesday, December 1st. We are planning on fixing up the area around the hall as a park, with picnic tables, fireplaces, ball diamonds, etc. Something will have to be done about the creek - weeping tiles was a solution. An archway commenorating the 100 years is also planned.

Our last Bingo drew a huge crowd and every available thing was used for seating, even the garbage can. We decided at our meeting to add one number to the jackpot straight bingo each month until the jackpot of $250 is won on the first 6 numbers in a straight line or four corners.

The Ladies Meeting was held in the Moon Lake Hall on December 8th. Arrangements were made for the Christmas Party.

ALBERTA JUNIOR CITIZEN OF THE YEAR

BULLETIN:

DIDSBURY GIRL HONORED FOR ENTERPRISE AND COURAGE

Fifteen-year old Fay Johnston has had complete charge of her home since her mother died four years ago. Ever since she was eleven, she has made a home for her father and brother — and intends to keep on doing so. She has cheerfully taken over the shopping, cooking, baking and a multitude of other household chores.

Undaunted by this great responsibility, Fay has kept her five horses. She exercises, grooms and trains them for entry in various horse shows.

In addition to all this, Fay is active in community affairs. She is a member of the Didsbury Light Horse Association and Westcott Hi-C Group, and in 1964 was chosen Rodeo Queen of the Didsbury Little Britches Rodeo.

We congratulate Fay. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Mrs. James Currie, Editor of the Didsbury Pioneer.

First place winner in Alberta will also be eligible to compete for three Canadian Carol Lane Awards along with other provincial winners. The Canada-wide awards carry prizes of $250, $150 and $75. Shell also provides the funds for this venture.

Any women's group (this includes teen-age groups) interested in entering should contact the Alberta Safety Council, 10526 Jasper Avenue, Edmonton, for additional details and an entry form.

Entry deadline for the Alberta Women's Safety Award is February 1st, 1966.

Appearances deceive; a dollar bill still looks like it did fifteen years ago.

Rabies Danger

There is still danger from rabies in Canada. Wild animals that are rabid act quite out of character, showing no fear of bigger animals or man. Skunks are the more serious problem now and they in particular should be watched for in rural areas since they are often to be found searching garbage cans for food. A bite from any animal should receive prompt attention, unless it is a family pet. If it is a wild animal, or a strange dog or cat, it would be advisable to notify the local game warden and see a doctor.

Two old favorites in modern style are pictured here – (Left) Tipsy Cake and (Right) Cranberry Yule Log.

The Tipsy Cake is adapted from an old English recipe and is like a trifle. Layers of sponge cake are sprinkled with fruit juice, sherry and frozen strawberries, then covered with custard and topped with whipped cream.

The Cranberry Yule Log is made like a jelly-role, filled with cream cheese and topped with a cranberry and apple glaze.

Rivers Improvement And Management Evaluation

A long range plan of stream diversion and river improvement is being intensified by the water Resources Branch of the Alberta Department of Agriculture.

The initial steps in the program consist of an evaluation of methods for diverting water, including diversion of water from the Clearwater Basin into the Red Deer River. If necessary, water from the North Saskatchewan, Athabasca and Peace Rivers may ultimately be diverted into the South Saskatchewan River.

The program is called the Prairie Rivers Improvement and Management Evaluation or P.R.I.M.E. It is the work of F.L. Grindly, Director of Water Resources, and his staff.

According to Mr. Grindley, the plan is basically designed to store water in the headwater areas and distribute the stream flow generally by appropriate diversions, keeping in mind that the southern areas of the prairie provinces will always require an added share of the distribution. When completed, the net result will be a firm-up of the winter flow in all our rivers including some streams that presently have little or no winter flow. Damaging flood waters will be held back, pollution will be abated, and substantial amounts of hydro-electric energy will be generated.

Water from the North Saskatchewan, Athabasca and Peace Rivers may eventually have to be diverted to replace the one million acre-feet of water used annually from the South Saskatchewan River for irrigation in Alberta. This replacement of irrigation water by flood waters from the more abundant flow in our northern streams, says Mr. Grindley, could be accomplished by gravity diversion canals built in conjunction with upstream storage dams.

It is stressed that this is a long range, multi-purpose water project to provide a firm water supply for domestic, municipal, industrial and hydro power uses as well as flood control.

The plan will be changed many times during the construction period as new information becomes available and as new patterns of resource development take place.

In the evaluation and management of water resources, the Provincial Government has accepted that the priority for water used should be (a) those uses directly necessary to human life - this means domestic and municipal use; (b) those uses where there is no substitute for water-irrigation and industrial use; (c) those uses of water for which there are substitutes - hydro and navigation; and (d) other beneficial uses of water

FIRE NEVER TAKES A HOLIDAY - NOT EVEN AT CHRISTMAS

It's particularly important that we keep this in mind during the holiday season ahead, for many of our Christmas activities, there may come the careless, thoughtless act which opens the door to deadly fire.

This is the season, says the Alberta Safety Council, when mothers doing last-minute shopping may be tempted to leave small children at home unsupervised "for just a few minutes". The tragic aftermath for some is to come home to find that fire has made it a place of death and destruction.

Especially during the holiday season, always heed the first rule of fire safety for your children: Never leave them alone and unattended even for "just a few minutes".

You can keep fire hazards to a minimum in your home for Christmas by following these suggestions from the Alberta Safety Council and your local fire department.

1. When picking out a tree, choose a fresh one. Saw off the butt at an angle an inch or more above the original cut. Stand the tree in water from the time you buy it until you dispose of it. Don't rely on chemical preparations to "flame-proof" your tree - none is truly effective. Set the tree away from radiators or fireplace and never where it might block your escape in case of fire.

2. If you choose a plastic tree, be sure it is marked as made of slow burning materials. If it has a built-in lighting system, it should carry the CSA (Canadian Standards Association) label. Metal trees will conduct electricity, so use only indirect lighting. Lighting strings on the tree may create a dangerous shock hazard.

3. Decorative lighting should be used with care. Check lighting strings before using for frayed wires, loose connections and broken sockets. Never use wax candles on or near the tree, or with polystyrene foam candle holders or decorations. Turn off tree and other decorative lighting before retiring or leaving the house. For out-door lighting, use only sets listed for outdoor use by the CSA.

4. Use non-combustible decorating material (metal, glass, asbestos, etc.) wherever possible. If combustible-like cotton batting, flocking, and paper - be sure they are "flame-proofed".

5. Dispose of gift wrappings promptly. (it's unsafe to burn them in a living room or game room fireplace).

6. Be extra careful about smoking near the tree.

Most important of all, plan in advance the escape measures and exit routes needed for the life safety of your family in case of fire.

Rice is the staple food of every Korean meal but sometimes it is scarce or too expensive and noodles or barley have to be substituted. These youngsters had walked several miles for their one meal of the day and the boy, despite his hunger, solicitously explained to his tiny sister that the noodles tasted good. Korea is a poor and desperately hungry country. Ravaged by disease and haunted by death, its children depend upon welfare agencies like the Canadian Save The Children Fund for survival.

Doctors today know more about mental illness than ever before, but further progress depends on how well each one of us understands the mentally ill. Write today for free information from The Canadian Mental Health Association, 618 Revillon Bldg., Edmonton.

"SANTA FOR RICKY"

The Edmonton Journal's "Santa for Ricky" campaign was boosted last week by a contribution from students at St. Anthony's Separate School in Drayton Valley. In the above photo Barbara Rasko, treasurer of the Students' Union is shown presenting a cheque to Rev. E. Lynch to be forwarded to the campaign headquarters in Edmonton. Looking on are James O'Rieux, Principal of St. Anthony's and Margaret Hammerlindl, president of the Students' Union.

When shopping for Christmas gifts for the one-to-two-year olds, be sure that the toys have no small movable parts that could be swallowed. Washable cuddly dolls and animals are ideal for the very small folk; sturdy wooden pull or push toys are good for the next sized youngsters.

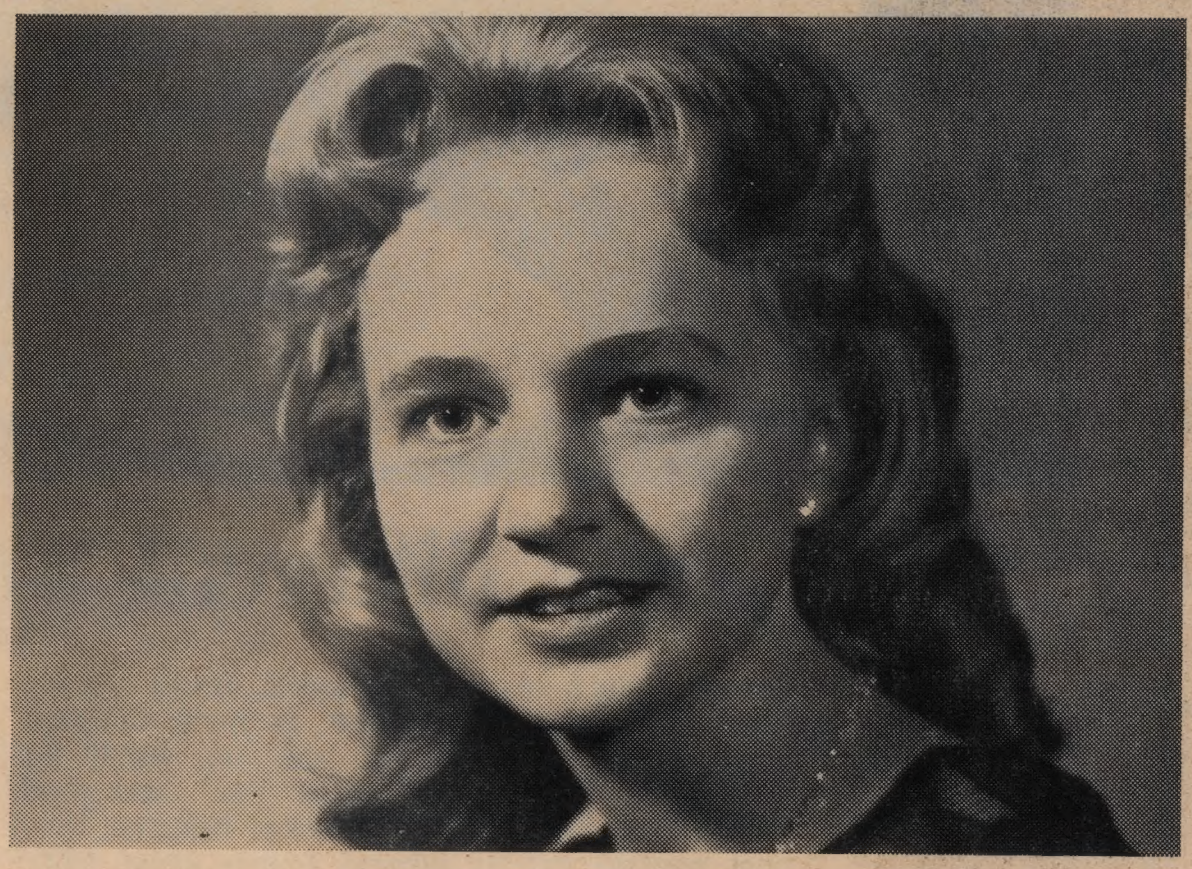
ALBERTA JUNIOR CITIZEN OF THE YEAR

BULLETIN:

YOUNG BASHAW SINGER HONORED



Theresa Becher is a beautifully natural lyric soprano. She has proved herself a worthy Junior Citizen of the Year by unselfishly giving her talent to her community. She has performed for the enjoyment of others at Christmas Festivals, Rotary Club functions, variety concerts, school activities, weddings and wedding anniversaries.

At sixteen, Theresa passed two musical examinations with honors. She pays for her own singing lessons by working after school and on Saturdays at a local bakery.

The adjudicator in the Provincial Singing Finals stated, "Theresa is an artist. Her high notes are ravishing". She has brought great joy and recognition to her community by her dedication to her art.

We congratulate Theresa. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to W. R. Newsom, Editor of the Bashaw Star and to Theresa's nominator, Mrs. J. G. Pearson of Bashaw.

COUPLE WED IN UNITED CHURCH

A lovely double ring ceremony was solemnized October 23rd when Miss Avaleen Hazzard, daughter of Mr. and Mrs. J.E. Hazzard of Drayton Valley became the bride of Mr. John H. Janzen, son of Mr. and Mrs. H. Janzen of Oliver, B.C. The wedding was held in the Drayton Valley United Church at 4;30 p.m. with Rev. J. Strachan officiating.

The floor-length gown of embossed taffeta brocade featured a soft, scooped neckline, an Empire waist line, Victorian sleeves and a detachable train. The New York original had its own matching head piece with a shoulder length veil. The bride carried a cascade of yellow talisman roses and wore a single strand of pearls and matching earings which her mother had worn on her wedding day.

Sister of the bride, Miss Marlene Hazzard was Maid of Honour. Bridesmaids were Miss Irma Janzen and Miss Judy Fry with Miss Elaine Litke Junior Bridesmaid. They all wore matching floor-length gold peau-de-soie gowns with matching head pieces, and carried Colonial bouquets of autumn flowers. David Janzen, brother of the groom was ring bearer.

The groom's attendants were Mr. Ed Wiens of Oliver, B.C., Constable Wayne Haggerty of St. Albert and Mr. John Regehr of Wetaskiwin.

The mother of the bride wore a three piece British knit in petal pink. The jacket was trimmed with natural mink. A matching model hat completed her ensemble.

The groom's mother wore an afternoon dress of peacock blue crepe with a matching model hat.

A reception for 160 guests was held at the Elk's Hall. Master of Ceremonies was Mr. Ed Litke of Drayton Valley and the Toast to the Bride was made by the bride's uncle, Mr. Sam McLachlan of Edmonton. A dance, with music by Lorenz of Evansburg, followed the reception.

For their honeymoon the bride wore a brown and gold tweed suit with complimenting accessories and corsage of gold talisman roses.

After honeymooning in San Francisco, Los Angeles and Las Vegas the couple will reside in Drayton Valley.

Out of town guests were from Vancouver, B.C., Oliver, B.C., Kelowna, B.C., Keremos, B.C., Superb, Saskatchewan, Fielser, Saskatchewan, Edmonton, Bonnyville, Kenuso, Westlock, Wetaskiwin, St. Albert and Evansburg.

REBELS DEFEAT STONY PLAIN

The Drayton Valley Rebels got off to a flying start in the Hi-Way 16 West Intermediate "B" Hockey race when they won 3 -1 in a game played at Stony Plain last Sunday afternoon. The game marked the opening of the 1965-66 hockey season for both teams.

The league has seven teams in competition this winter, Stony Plain, Spruce Grove, Calmar, Warburg, Drayton Valley, Sangudo and Mayerthorpe. We have not seen the completed schedule as yet however, it is likely that each team will play twelve games, a home and home series with every other team in the league. A playoff involving the first four teams will follow the regular schedule to decide the league championship.

In Sunday's game the Drayton Valley marksmen were Alvin Hopfe, Lyle McGinn and Garry Pankewicz.

When you park your car, even on your own property, remove the keys. In some communities, a local bylaw prohibits leaving keys in the ignition so that thieves or children could start the car

HI-WAY 16 WEST PEE WEE LEAGUE
HOCKEY SCHEDULE 1965-66

	Onoway	at	Stony Plain
Sat. December 18, 1965	Spruce Grove	at	Onoway
	Stony Plain	at	Drayton Valley
Sat. January 8, 1966	Onoway	at	Drayton Valley
	Spruce Grove	at	Stony Plain
Sat. January 15, 1966	Onoway	at	Spruce Grove
	Drayton Valley	at	Stony Plain
Sat. January 22, 1966	Spruce Grove	at	Drayton Valley
	Stony Plain	at	Onoway
Sat. January 29, 1966	Drayton Valley	at	Onoway
	Stony Plain	at	Spruce Grove

All scheduled games in the Pee Wee section of the league are set for Saturday afternoon at 2:00 p.m. Any changes in date, time or place of any game will have to result from the common agreement of the two coaches concerned. It is important, however, that this schedule must be completed by January 29, 1966, in order to progress with the playoffs.

Coaches of the Pee Wee Teams in the league are: Onoway, John Tyshuk; Stony Plain, Herb Brown; Spruce Grove, Murray Laing; Drayton Valley, Harold Reinhart.

PEE-WEE ALL STAR TEAM FORMED

A team has been selected at the Pee Wee level to compete in the Hi-Way 16 West Minor Hockey League. The team, known as the Drayton Valley Oilers, will be coached by Harold Reinhart. The Oilers will play a six-game schedule in the league after which there will be a playoff to decide the league championship. The other teams in the four-team circuit are Stony Plain, Spruce Grove and Onoway.

The Oilers opened their season last Saturday at Spruce Grove by playing a scoreless tie. Next Saturday the Drayton team entertains Stony Plain in their first home game of the season. The game will get under way at 2:00 p.m.

The following is the Oiler team as it presently stands. There definitely will be some changes in this lineup as time goes on. We will have about thirty boys competing in a House League at the Pee Wee level and any of those boys have a chance to make the Oiler team. On the other hand we have a few boys on the All-Star squad who might have to return to the farm teams for a while.

At present the team stands as follows: Coach - Harold Reinhart. Players - Barry Argent, Allan Arnold, Danny Beattie, Jerry Bills, Allan Casey, Wayne Halldorson, Brett Hammerlindl, Bob Henderson, Norman Jevne, Jerry Litke, Lindsay Machan, Zane Reinhart, Don Serenas, Carl Sieben, Rodney Torgerson, Gerard Van Ylden and Larry Wall.

When the gifts are opened on Christmas Eve or Christmas Day, there is usually an accumulation of wrappings. These should be safely disposed of but never stowed away in the basement near the furnace or heating equipment.

OIL WIVES HOLD XMAS MEETING

The monthly meeting of the Drayton Valley Oil Wives was held in the Cardium Room on December 13th. One hundred and six members, five new members and eighteen guests were present to enjoy a delicious turkey dinner. The tables and room were beautifully decorated in the Christmas theme.

Each member of the executive gave her report during the business meeting. Our Spring Dance will take place February 12th with tickets going on sale early in January. Program Chairman, Pat Milne, reported that the mixed curling bonspiel in November was most successful and thanked all those responsible for its success

A long line of ladies wound their way to the "Birthday Pot" to the strains of "Happy Birthday to You". The Oil Wives Association is sponsoring a "Club Song and Grace Contest" and we plan to submit the song written by Jean Ward, "This Club is Your Club". Members and guests were treated to a most enjoyable Christmas program. The singing group, under the capable direction of Betty McGee, rendered several carols and Christmas songs. Everyone listened with immense enjoyment as Wendy Ashmead played two violin solos. She was accompanied by Eileen McDonald. Many chuckles were heard as Dorothy Goss presented a recitation of a lighter vein, entitled, " "Twas the Night Before New Years." Everyone joined in some carol singing while awaiting the arrival of Santa Claus. Soon he arrived and distributed the many lovely gifts. A raffle was held on a four pound fruit cake and was won by Dorothy Thesen.

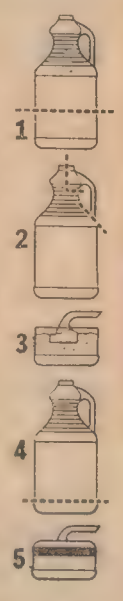
HOW TO MAKE YOUR OWN 7lb. JUNIOR CURLING STONE

It's easy, fun, and costs next to nothing. The only materials you need are two empty household bleach bottles (128 oz. size)...a small bag of dry mix concrete, which you can get at most hardware stores for approximately 35¢ . . . and a roll of red or black adhesive tape.

Directions:



1 Cut three and one half inches off the bottom of a 128 oz. household bleach bottle to form the base of the stone.

2 Cut the top off the bottle at the second ridge under the top end of the handle. Then, cut the handle away from the remaining section of bottle. Now mix about ⅔ bag of dry mix concrete according to the directions given.

3 Pour cement into base of the stone and fill to within ¼" from top. Press neck of bottle down into the cement, leaving the handle completely above the cement line. Be sure handle is centred.

4 Cut bottom off second bottle at dotted line for top. Then, cut ¾" square hole in the centre of this piece.

5 The hole in this top will slip easily over the handle of the rock giving a professional finish to the junior stone. Secure top of the stone to base with a band of coloured tape. If desired, the entire top could be painted red or black for better identification of the stones. However, the coloured tape will also serve this purpose.

Note: For a heavier stone, just cut the bottle at 4 - 4½" above base and use more concrete.

U.C.W. ELECTS OFFICERS

The Christmas meeting of the United Church Women was held on December 7th at 8:00 p.m. in the church basement. The president welcomed the many guests as they introduced themselves after signing the guest book. The devotional was read by Mrs. Ella Kelly from the pulpit and a Christmas carol was sung.

Downstairs the program was conducted by Mr. and Mrs. J. Strachan on the introduction of units. A film followed on the First Christmas and the pictures were from paintings from India. After the singing of the favorite carols, coffee was enjoyed by everyone.

1966 executive is as follows: President, Mrs. Shirley Nelson, 1st Vice-President, Mrs. Mildred Rennie, 2nd Vice-President, Mrs. Stella Murray, Secretary, Mrs. K. Morrison, Treasurer, Mrs. Jean Campbell; Program, Mrs. Jean Ward.

POULTRY CONSUMPTION

The total consumption of poultry meat in Canada increased from 615 million pounds in 1963 to 665 million pounds in 1964.

R.E. English, Agricultural Statistician with the Alberta Farm Economics Branch, says that this increase was mainly due to an increase in population.

In the event of conflicting schedules, any changes in date, time or place deemed necessary may be made. These changes will have to result from the common agreement of the two coaches concerned in a particular game. Lodgepole News

MRS. W. NORQUAY
Correspondent

Mrs. Bill Beckett's son, Stanley Lorimer, passed away on Sunday, December 5th in Edmonton. I'm sure I write for all those who know Mr. S. Lorimer's wife, son and mother and all those who are left behind in expressing our deepest sympathy.

A turkey and cash Bingo was held here on Tuesday the 7th of December. Here is a list of the winners: 1. Mrs. E. Knapp, Turkey; 2. Mrs. Peterson, Turkey, Mrs. Williams, $1.00; 3. Mrs. Williams, Turkey; 4. Mr. Strauss, Turkey; 5. Mr. E. Kupsch, Turkey, Mrs. R. Nelson, $1.00; 6. Miss S. Lee, Turkey; 7. Mr. E. Smith, Turkey; 8. Mr. W. Schmidt, Turkey; 9. Mrs. D. Caufield, Turkey; 10. Miss Sheila Cox, Turkey; and Miss S. Lee won the free pass.

Cascade Drilling moved a rig in about 5 or 6 miles west of Lodgepole this week. I went to Edmonton yesterday and came back on the bus as far as Wabamun and had a visit with Mr. and Mrs. Tom Ross and family. They want me to wish all their friends in Drayton a very Happy and Healty Holiday Greeting. Bill drove me around to see the big Calgary Power plant, before returning home.

GILDING THE LILY -- OR THE STEAK

You've heard of gilding the lily? You may want to do it even if the "lily" is a steak.

"Slather the hot sizzling steak with a mixture of ½ stick butter or margarine, ½ teaspoon garlic powder, and 2 teaspoons sesame seeds." This rule comes from Martha Logan of Swift's.

Brides, especially, will like a few other points:

To keep steaks from curling during broiling, slash the fat edges before cooking.

Salt each side of steak after cooking. Reason for "after"? If it's salted before, the flavorful juices may be drawn to the surface and slow the browning.

Turn steak only once, while broiling. When it's brown on first side, turn and brown on other side. Use tongs for turning because piercing the meat with a fork causes unnecessary loss of juices.

Frozen steaks do not have to be thawed before broiling, but the cooking time must be increased to allow for thawing during cooking.

Tender cuts of meats are needed for broiling. These may be recognized by the rib, T-bone, and wedge bone in beef steaks.

To tell when steak is done, cut a slit in it near the bone with a sharp knife. Look at the color inside - red is rare, pink is medium, and brown is well done.

Here is a tip about freezing steaks: If you're going to leave them in the freezer for a short time (1-2 weeks) the transparent paper in which you buy them in the selfservice meat cases will do; if the storage is to be long, overwrap the packaged meat with proper wrapping material.
